

INTRODUCING THE

ST-5 MOBILE HARD DRIVE SHREDDER

HARD DRIVE DESTRUCTION MADE EASY

- ▶ Add the ST-5 to any new Shred-Tech truck, or retrofit onto an existing truck.
- ▶ The ST-5 adds to your bottom line by providing an additional revenue stream for your business.
- ▶ Hard Drive Destruction is one of the fastest growing segments in the Information Destruction Industry. The ST-5 system destroys a hard drive in 5 seconds at your customers' sites, ensuring their peace of mind.
- ▶ The ST-5 is self-contained and easy to operate. Its low idle operation makes it quiet and fuel efficient. For safety, the ST-5 was designed to be fully automated with electronic safety interlocks to allow for completely safe operation.

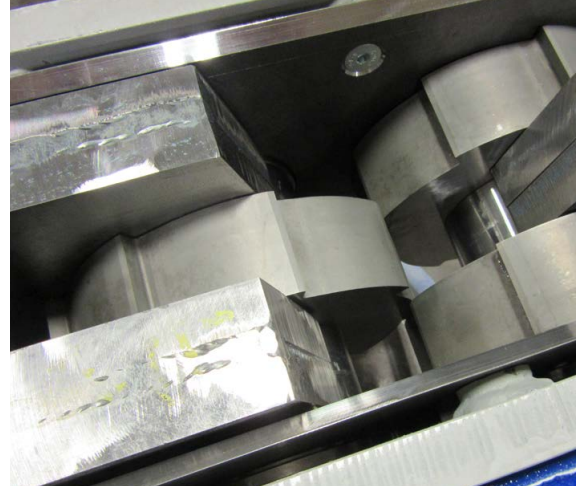

SHRED EVERYTHING!
